

The Social Supermarket is a community run shop that provides support for local families and individuals experiencing food poverty. Membership enables families and individuals to purchase items at 30% of High St prices – including fresh and frozen food, tinned and dried goods, as well as fruit and vegetables. It also will provide a range of other services such as skill-building programmes, cooking skills, money management and personal development, education programmes, training, etc.

We ask you please to: (takes 5 minutes)

1. Complete the short questionnaire,
2. Pin a location for the social supermarket on our map
