

Join our District Nursing Forums

We are inviting service users and carers with recent experience of the **District Nursing Service** in the Southern Health and Social Care Trust to get involved!

What are the District Nursing Forums?

The District Nursing Forums bring together District Nursing service users, carers and staff in regular meetings to plan and action service improvements through an inclusive approach. The aim is to embed service user, and carer involvement, using feedback at all levels to improve services for everyone.

How will members make a difference?

By being a member of the District Nursing Forum, you will have the opportunity to:

- Work alongside staff to help increase service user and carer involvement
- Shape our future District Nursing Service in Southern Health and Social Care Trust
- Ensure learning from feedback and involvement is included in future work.

How can I become involved?

There are multiple places available for service users and carers within the Forum. Meetings will be held bi-monthly, either online or face to face, lasting no more than two hours.

Contact the User Involvement Team to express interest if you:

- ✓ are 18 years of age or over, and
- ✓ have experience of District Nursing Service within the Southern Health and Social Care Trust within the last 5 years, either as a service user or carer for someone who uses our District Nursing Service,
- ✓ and want to help us improve our District Nursing Service.

Hub members will receive information, training and ongoing support from our Team. Email PPI.team@southerntrust.hscni.net or call 028 3756 4474 for more details.
