

Dear Principal/Relevant Staff Member

The Children & Young People's Strategic Partnership (CYPSP) aims to improve outcomes for children and young people by working together with key services and organisations in Northern Ireland. The Education Authority is an active member of this and contributes to its strategic and operational plans.

We have 6 Locality Planning Groups (LPG's) in the Southern area to form local partnerships to share information and address unmet need. Each of our LPG's has a local action plan which identifies actions around our key priorities of emotional wellbeing of children and young people, supporting parents and carers and addressing the impact of poverty.

We have previously been involved with the organising of school uniform recycling initiatives and have produced a practical Toolkit for schools to use in order to assist with a recycling initiative within their school. This includes suggestions for discussions, checklists, templates and evaluation tools. This is free of charge and all schools are welcome to use it.

We would like to invite your school to a short 30-minute online briefing session to introduce the Toolkit and explain how it works. You and/or a colleague would be most welcome to attend one of the following sessions:

Tuesday 18th April: 3.30pm – 4pm

Wednesday 19th April: 3.30pm - 4pm

Thursday 20th April: 3.30pm – 4pm

Please confirm which date suits you best and we will see you then! If none of these dates suit, please notify me to arrange a suitable time and date.

Kind regards

Darren Curtis
