

The Public Health Agency (PHA) scheme opens to applications on Wednesday 28th June 2023 and aims to address health and wellbeing needs in local communities. The funding programme will also support a range of strategic themes and priorities under the 'Making Life Better' public health framework, in particular mental health, emotional wellbeing, suicide prevention and self-harm.

For further information on the funding scheme and how to apply please visit; [PHA Making Life Better through Short-term funding programme \(dhcni.com\)](https://www.dhcni.com)

**Closing date for applications is 26 July 2023**
