We know that older people are already facing difficult decisions about their energy use and how to make their money go further.

Age NI has teamed up with fuel charity, [National Energy Action NI](#), together with [Power NI](#), to share energy saving advice to help older people to use energy efficiently, as well as money-saving tips and ways to help your budget go further.

**We're hosting a free information session online via Zoom on: Thursday 26
October 2-3.15pm**

Numbers will be limited so please register via our website, or choose your session from the links below, to book your free place.

Please share with anyone you know who would be interested.
