UP**

 **Go Succeed**
NI Business Support

The service provides free 1-2-1 mentoring, workshops and masterclasses for pre business start-ups, start-ups, and existing businesses.

Workshops & Masterclasses

[Business Events | glistrr](#)

Delivery is through a combination of NI-wide online sessions and locally located in-person events. Business Advisors, through Diagnostic and One-to-One Mentoring engagement will encourage participant registration and attendance at relevant workshops.

Targets for this service includes - this includes females, young people; individuals with a disability; individuals from Black and Minority Ethnic (BAME) communities and individuals with a disability.

If there are opportunities through events to promote Go Succeed, we have a Community Outreach budget and welcome collaboration.

Grants Process

Grants will be launched late January/early February 2024

Up to £4000 grant available (70% intervention)
