We are writing to invite you to participate in our NAUWU Questionnaire, aimed at shaping the future of women's healthcare in Northern Ireland. By sharing your experiences, you will contribute to our call for the development of a dedicated and appropriately funded Women's Health Strategy for Northern Ireland.

If you or someone you know can complete the questionnaire, we encourage you to spread the word so that our findings can be as comprehensive as possible.

Additionally, we welcome input from organisations. If your organisation can allocate 10-15 minutes to participate, we would greatly appreciate your contribution.

Please access the questionnaire through the following link: [NAUWU - Women's Health Strategy questionnaire Survey \(surveymonkey.com\)](https://www.surveymonkey.com/s/NAUWU-Women's-Health-Strategy-Questionnaire)

The deadline for completion is **Tuesday 30th April 2024**.

Thank you for considering our invitation to help shape the future of women's healthcare in Northern Ireland.

Kind regards,
