| Building the Community Pharmacy<br>Partnership (BCPP)     | The programme aims to promote and support local communities to work in partnership with community pharmacists to address local health and social wellbeing needs using a community development approach.<br>Scheme details<br>The Building the Community-Pharmacy Partnership (BCPP) Programme is led by CDHN and funded by the Health and Social Care Board (HSCB), with strategic direction provided by a multi-agency Steering Group. BCPP supports communities and community pharmacists to work in partnership to address locally defined needs so that people make connections, listen to and understand each other better and work together to address the social determinants of health and health inequalities.<br>The projects aim to address wider issues impacting on health and tackle the root causes of poor health. These vary greatly for different groups of people and may include mental health issues, housing issues, low educational attainment, poverty or debt. Group work and relationship building is at the core of all projects. By sharing our assets, our lived experiences and supporting each other we can achieve great things                                                                                                              | information                                | https://www.cdhn.org/bcpp              | Please see we<br>information                                                                                                               |
| The Magdalen Hospital Trust                               | The Magdalen Hospital Trust was founded in February 1973 from the proceeds of the sale of the original Magdalen Hospital. The Trust no longer offers residential support itself but makes grants to promote the welfare of young people (of both genders), under the age of 25 years, who suffer from various effects of social deprivation, abuse, mental and physical handicap, inadequate housing, lack of education or training, and the problems derived from unemployment and broken families.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                            | http://www.magdalentrust.org.uk/       | Applications a<br>November un<br>Applications a<br>February unti<br>Applications a<br>May until 31                                         |
