Dear Stakeholder,

Paddy Rooney, Deputy Secretary, Work & Health Group, wrote to you on the 3 May to provide you with an update regarding the next phase of our Move to UC plans in Northern Ireland (NI).

As you are aware, the current phase of Move to UC commenced on 13 May 2024. The Department has developed a Stakeholder Guide to specifically help organisations support households who are required to move to UC.

The Stakeholder Guide is available on the DfC website,
