

The Nationwide Admiral Nurse clinics are coming to Newry on the 18th, 19th and 20th March 2025. This could be beneficial to people or families living with dementia.

This venture is a partnership between Nationwide and Dementia UK, offering 45-minute appointments with a dementia specialist nurse in their branches. The dementia specialist nurses, called Admiral Nurses, can offer advice to families and carers about dementia symptoms and progression, guidance on how to support someone living with the condition and manage changes in behaviour, advice on navigating the social care system and legal issues or simply provide emotional support to family carers

The link below is to Dementia UK website and contains further details about the clinic and the booking page:

[In partnership with Nationwide Building Society - Dementia UK](#)

It is myself running this clinic, and I will be present in Newry Nationwide Branch, Marcus Square, BT34 1JB on the 18th, 19th and 20th of March 2025.

Kind regards,

Lauren Williamson

Dementia UK Admiral Nurse
